

Surf & Skate Club 2009

St Charles Surf and Skate Club provides students of all ages and abilities after school and weekend classes, clinics, and programs designed to improve a variety of ocean water and board riding skills.

Professional coaches and instructors from Ocean Experience Surf School offer quality supervision and instruction for beginner, intermediate, and advanced surfers and skaters. Our 3 month program includes weekly surf and skate sessions, as well as special events, field trips, and clinics.

Members can join in on surf movie night, kayaking, snorkeling, stand up paddle sessions, half day surf trips, shaping demos, surfboard factory tour, and much more.

All equipment is provided for all activities and members also receive exclusive discounts on products at Ocean Beach Surf and Skate, as well as group rates on Ocean Experience camps and adventure tours.

Surf Club provides progressive training, as well as instruction in oceanography, water safety, surf history, board maintenance and ding repair.
