## Birthday & Group Parties

### **SURF, KAYAK, SKATE, STAND-UP PADDLE & MORE!**

Ocean Experience Surf School now offers exciting birthday and group parties for all ages and skill levels. Our parties offer participants the opportunity to learn and experience surfing, kayaking, or skateboarding and share the experience with friends. Parties are guided by trained professional instructors who provide an enriching hands-on opportunity for all participants. All of our parties are age and skill appropriate and include all necessary equipment. Ocean Experience is fully insured, licensed, and permitted by the City of San Diego for ocean water instruction. Our programs build confidence and self-esteem while exposing participants to new, challenging, and rewarding experiences. All of our customized parties are tailored to the activities of your choice.
